

Message from the Creator

Thank you for supporting **JETSET REVERIE** and keeping indie comics afloat! If you like what you see, please consider following our Kickstarter campaign:

https://www.kickstarter.com/projects/comics2movies/jetset-reverie-issues-1-and-2

With that said, we know money's tough right now so you can still support us by sharing your discovery with friends and socials! There's nothing more helpful to a small publisher than fans voicing their enthusiasm in a public place.

Let's hoist Jetset to the crow's nest together for all eyes to spy!

- James Vinson, writer/creator
